

OPTION 02 - HYBRID GUIDED

Professional guidance with more flexibility.

Independent online coursework, instructor support, exam preparation, and an in-person skills experience for candidates who need greater control over their schedule.

GUIDANCE WITHOUT A FIXED DAILY CLASSROOM

Choose this option when you want flexibility with support.

The Hybrid Guided track uses Broker X Independent Learning, delivered by NMLS-approved provider OnCourse Learning. It combines a flexible 20-hour online course with instructor support, optional tutoring, test preparation, milestones, and a final three-day on-site skills session.

**IMPORTANT
COMMITMENT**

The 20-hour course must be completed before day 14 at 11:00 p.m. Eastern Time. Course expiration, grading, optional tutoring, and exam-prep deadlines still require careful planning.

WHAT YOU RECEIVE - AND WHAT YOU COMMIT TO

Know the experience before you enroll.

This track is designed for candidates who can manage their own study time but still want an instructor-supported course, optional tutoring, test-prep resources, and a defined five-week progression.

What the program includes

- Program kickoff and requirement review.
- Twenty-hour online course with 24-hour access.
- Virtual instructor support and optional tutoring.
- Prep xL training, flash cards, and practice exams.
- Three-day Success Track at UWM headquarters.

What you should plan for

- A self-directed study plan during weeks one and two.
- Completion before the day-14 course deadline.
- Attention to Eastern Time deadlines and sessions.
- Travel to Pontiac, Michigan during week five.
- Separate licensing and testing expenses.

A STRONG FIT WHEN

You manage your own time

This option can work well if you need control over daily study times but still value access to an instructor, optional tutoring, practice tools, and clear milestones.

CONSIDER ANOTHER TRACK WHEN

You need live structure

The Guided Fast-Track may fit better if scheduled webinars, frequent live interaction, and stronger day-to-day accountability help you learn and stay on pace.

TUITION AND REBATE

Tuition is \$399 and is paid by the candidate. The provider states that a \$100 rebate is available after SAFE exam results are submitted to OnCourse Learning. Confirm the current rebate terms and whether any separate Arizona-specific education is needed before enrolling.
