

OPTION 01 - GUIDED FAST-TRACK

A structured path from education to test.

Live instruction, scheduled support, exam preparation, and an in-person skills experience for candidates who want a clear roadmap and accountability.

THE MOST GUIDED EHG LICENSING TRACK

Choose this option when structure helps you move faster.

The Guided Fast-Track uses Broker X Comprehensive Live Training, delivered by NMLS-approved provider OnCourse Learning. It combines scheduled virtual instruction with tutoring, practice materials, milestones, and a final three-day on-site skills session.

**IMPORTANT
COMMITMENT**

Virtual sessions are scheduled in Eastern Time. Candidates select an AM or PM session and must remain in the registered time slot; session availability varies.

WHAT YOU RECEIVE - AND WHAT YOU COMMIT TO

Know the experience before you enroll.

This track is designed for candidates who benefit from a defined calendar, live access to instructors, and steady progress expectations. It requires more schedule flexibility than the independent or self-paced options.

What the program includes

- Program kickoff and requirement review.
- Scheduled live webinars and discussions.
- Group and individual tutoring.
- Prep xL self-study and practice exams.
- Three-day Success Track at UWM headquarters.

What you should plan for

- A consistent five-week study schedule.
- Attendance in your selected AM or PM track.
- Independent study between live sessions.
- Travel to Pontiac, Michigan during week five.
- Separate licensing and testing expenses.

A STRONG FIT WHEN

You want accountability

This option can work well if deadlines, instructor access, scheduled sessions, and a defined sequence help you stay engaged and complete the process.

CONSIDER ANOTHER TRACK WHEN

You need maximum flexibility

The Hybrid Guided or Self-Paced path may fit better if fixed webinar times, a concentrated schedule, or week-five travel would be difficult.

TUITION AND REBATE

Tuition is \$399 and is paid by the candidate. The provider states that a \$100 rebate is available after SAFE exam results are submitted to OnCourse Learning. Confirm the current rebate terms and whether any separate Arizona-specific education is needed before enrolling.
