

OPTION 03 - SELF-PACED

A focused 14-day education plan.

Online pre-licensing education and test preparation for motivated candidates who prefer to work independently and move at a concentrated pace.

THE MOST INDEPENDENT EHG LICENSING TRACK

Choose this option when you are ready to manage the pace.

The Self-Paced track uses Mortgage Educators & Compliance's online instructor-led, pre-recorded course. Candidates complete the required videos, activities, quizzes, assignments, and final assessment within a 14-day course window, then continue with test preparation.

FORMAT	LENGTH	BASE PRICE	BEST FOR
Self-paced online	14-day course window	\$253.90*	Disciplined learners

THE 14-DAY COURSE EXPERIENCE

DAYS 1-7 Build the foundation Complete course videos, activities, quizzes, and graded assignments.	DAYS 8-14 Complete the course Finish all chapters, case studies, assignments, and the final assessment.	AFTER COURSE Prepare for the SAFE test Use the included Standard Test Prep before scheduling the national exam.
--	---	---

IMPORTANT COMMITMENT

The course can be started Tuesday through Friday from 9:00 a.m. to 5:00 p.m. Central Time. Once started, coursework can continue evenings and weekends, but all graded work must be completed within the 14-day window.

WHAT YOU RECEIVE - AND WHAT YOU COMMIT TO

Know the experience before you enroll.

This track is designed for candidates who can study consistently, manage assignments without frequent live interaction, and complete the entire pre-licensing course before access expires.

What the program includes

- Twenty hours of NMLS-approved education.
- Pre-recorded instructor-led video lessons.
- Quizzes, case studies, and graded assignments.
- End-of-course assessment and certificate.
- Standard Test Prep with 300+ sample questions.

What you should plan for

- A valid Tuesday-Friday course start time.
- Weekday grading and instructor-response timing.
- Completion before the 14-day access expires.
- A 40% reload fee if the course must be restarted.
- Separate Arizona, testing, and licensing costs.

A STRONG FIT WHEN

You study independently

This option can work well if you can protect regular study time, keep track of assignments, and complete a concentrated online course without a live daily schedule.

CONSIDER ANOTHER TRACK WHEN

You want more guidance

The Guided Fast-Track or Hybrid Guided path may fit better if you want more instructor interaction, outside accountability, or a longer structured progression.

PRICE AND COURSE SELECTION

The displayed base price is \$253.90 with no state elective selected and Standard Test Prep. Arizona-specific education and an Ultimate Test Prep upgrade may add cost. Confirm the Arizona course configuration and final checkout total before purchasing.

HOW TO START WITH EHG

01

Speak with EHG

Confirm the self-paced track is the right fit.

02

Select Arizona

Confirm the required state education is included.

03

Choose test prep

Review Standard versus Ultimate Test Prep.

04
